Hi Bob,

Hope you're well. I'm reaching out to see if you're available to attend our hearing next Tuesday at 10am and provide public comment in support of the BID renewal. As with the petition hearing, it's possible that we won't encounter any oppositional comments, but according to our consultant, opposition tends to sit out the petition hearing and show up for the renewal hearing. In the event that this happens, I'd like to be prepared with supporters in attendance.

You can use the same talking points as we prepared last month, see attached.

Please let me know if you're available. If not, is there someone else in the organization that could speak on your behalf?

Thanks for your support!

Ellen
